

Dear Customer,

We have great delight in enclosing your 'Gadget Shop'. Here at Primary Fundraising Hub, we are passionate about delivering opportunities for children to develop their entrepreneurial skills, their understanding of the National Curriculum and, as you may have guessed by now, fundraising for schools.

Contained within your kit you will find a free raffle prize (or prizes) worth at least £20!

To download your FREE additional resources please visit:
www.primaryfundraisinghub.co.uk.

By accessing the free resources section, you will discover:

- entrepreneurial activities
- marketing resources
- promotional letters
- printable price lists
- printable posters
- lesson plans and assembly plans
- and much, much more...

We would like to take this opportunity to wish you and your school every success with your 'Gadget Shop'. We are certain that both the children and parents of your school will love the amazing resources you now have on offer.

Should you have any further queries, please do not hesitate to contact us.
